Parents are required to sign a registration form - available from the supervisor when you arrive or from Linda in the office (also in bar and below tennis notice board).

The Summer Supervised Tennis Scheme is open to all junior members of the club who have opted to pay the additional Junior Tennis Programme contribution (€50 per child for the year).

Three courts and practice wall areas reserved for the juniors during the summer mornings.

On days when the weather is very bad, the supervised tennis may be cancelled or may finish early. Parents are responsible for collecting their children early in that event.
